## MRS. WILLIAMS' LONG SICKNESS

Helds To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.—"I suffered for four years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had no doctor, but I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanative Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit to you, I have my permission to publish them."—Mrs. Sadie Williams, 337 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ailments known of, and thousands of voluntary testimonials on file in the Pinkham Laboratory at Lynn, Mass., seem to prove this fact.

"If you have the slightest doubt about Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co., (Confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence."

## MODERN WOMAN BEATS ANCIENTS IN HER PHYSIQUE

Hips and Thighs Only Parts No Larger, Says Dr. Sargent of Harvard.

CAMBRIDGE, Feb. 18.—While Dr. Dudley A. Sargent and Dr. Walter B. Fernald, members of the Harvard faculty, to-day extol the graces and health of modern youth, Prof. Ernest Hooten, another university instructor, says the human family, the ape and the monkey originated from a common stock.

Dr. Sargent says the modern young woman is superior to the classic ideal in physique.

Dr. Fernald sees no use for eugenic laws when pretty women and strong men intermarry.

"The human form has improved since classical days," Dr. Sargent said. "The female figure has probably gained in weight and height and in the measurements of the chest, arms and waist. The hips and thighs are probably the same, but in their case muscle has taken the place of adipose tissue. The changes are due in great measure to our greatly changed mode of living, with its added attention to physical culture."

He added that with the many inventions that save time the modern woman needs her better physique to live as long as the woman of classical times. He refers to the popular "Milo walk" as a "suit-case slouch."

Dr. Hooten says man did not descend from the ape, but that both beings originated from the primates. This common source after progressing some distance branched off—one road representing the development of man and the other the development of the anthropoid type.

## BREAKS THE BAILEY WILL

State of Circus Man's Widow Wins In Suit.

(Special to The Evening World.) WHITE PLAINS, N. Y., Feb. 18.—A jury verdict for the plaintiff in the action brought to set aside the will of the late Mrs. Ruth Louise Bailey, widow of James A. Bailey, the circus king, was handed to Justice Tompkins at noon to-day here. The jury was out all of last Wednesday night and sent back a sealed verdict, which was not opened until to-day.

This morning counsel for the defense asked that the verdict be set aside but Justice Tompkins reserved decision, saying he would hear argument on the motion in chambers at 10 o'clock next Saturday. The estate left by Mrs. Bailey is valued at about \$4,000,000. She died at her home in Mount Vernon, March 11, 1912.

Her sister, Mrs. Anne Isabelle Hutchinson, of Bridgeport, Conn., brought the action to set the will aside when she learned she had only been given \$10,000 annually under the will. The defendants are Joseph T. and Theodore McCadden, brothers of the late Mrs. Bailey.

## This Home-Made Cough Syrup Will Surprise You

Costs Little, but There is Nothing Better at Any Price. Fully Guaranteed.

Here is a home-made remedy that takes hold of a cough almost instantly and will usually conquer an ordinary cough in 24 hours. This recipe makes a pint—enough for a whole family.

Mix one pint of granulated sugar with 3/4 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. This keeps perfectly and has a pleasant taste—children like it.

You probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic cough and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in guaiacol and other natural healing pine elements. Other preparations will not work in this combination.

The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
